## FACE MASKS

We would like to take this time to remind parents that face masks handed out by the school are for emergencies only. If you have lost or damaged your mask on the way to school then we are happy to provide one, but we simply cannot afford to give out free masks every day. Please bring your own masks from home.

## REMEMBRANCE DAY

Next Wednesday is Remembrance Day. To mark the occasion, we are selling poppies and other lovely goods in school.

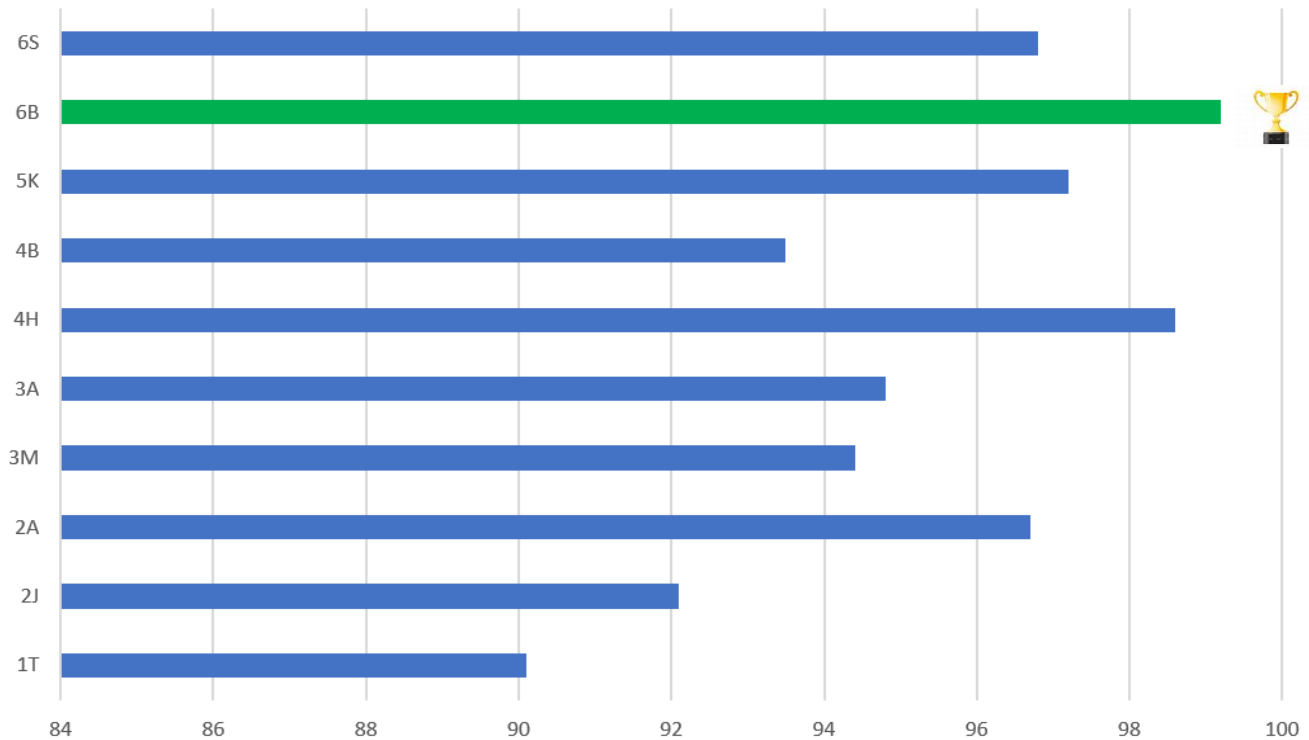

## TOPIC WORK

A huge thank you to all our parents for supporting their child with the fantastic topic work they have been bringing in. They are AMAZING, as you can see from the examples below. There is still plenty of time for your child to bring work in, as we will continuously add to our display. We are looking forward to being able to share with you the photos of the display we will create in the link corridor once it is finished.

## Attendance

Children's attendance **must be 95% or above**. Prizes are awarded at the end of each term for all children who have an attendance figure of 96% or above. Below are the attendance figures for each class for last week. **Well done 6B!**

## Words of the week:

### KS1
