

# Caldmore Primary Super Hero's News

## Return to School...

We are so pleased to see students safe return to school. Over the past few months we have been working with the school following stringent social distancing policies. Our Catering Team have also adhered to cleaning procedures that are in line with the latest Government guidelines ensuring that we can continue to serve great food in a safe environment.

## 'NEW' Super Hero's Menu

September saw the launch Chartwells NEW Super Hero's menu...

We love to give our Primary school pupils a real variety of foods to choose from, so lunch times are a period of their day they really look forward to. The menu provides dishes that both parents and pupils like to see along with everyday favourites such as Pasta and Jacket Potatoes

Your Catering Team encourage all students to try new dishes beyond their own cultures – we have nutritional tasty dishes from India, China, and more – *students are never bored, only hungry for more!*

## Is Your Child Eligible For Free School Meals?

Your child may be eligible for FREE SCHOOL MEALS if you get an income-based benefit (for example Income Support or Child Tax Credit). You can sometimes qualify if you receive Working Tax Credit. But it depends on the income your tax credits have been worked out on, and where you live in the UK. This could save you approx. £400 per year and allow your child to have a Hot Meal or Sandwich.

**HOW DO I CLAIM?** Visit the website below
