### Wednesday 20<sup>th</sup> and Thursday 21<sup>st</sup> October

M and M Production of Treasure Island

### Friday 22<sup>nd</sup> October

Break up for half term week

Mathletics has been replaced with Doodle Maths. Watch this space as we announce the class winner next week!

## What a great start!

**Well done children** on a fantastic start to the new term! We have been blown away with how you have all come back. You look smart in your uniforms, you've been ready to learn and friendly and polite.

I know that this year is going to be a wonderful one at Caldmore as we all work together to make sure you all reach your full potential. Keep it up!

Thank you, parents for supporting us by bringing your children to school and picking them up in an orderly way. So that staff can let children leave safely at the end of the day please form a line so that staff can dismiss children one at a time in a fair and safe way.

Over the next few weeks interviews will be taking place for Year 6 Head boy and Head girl so watch this space!

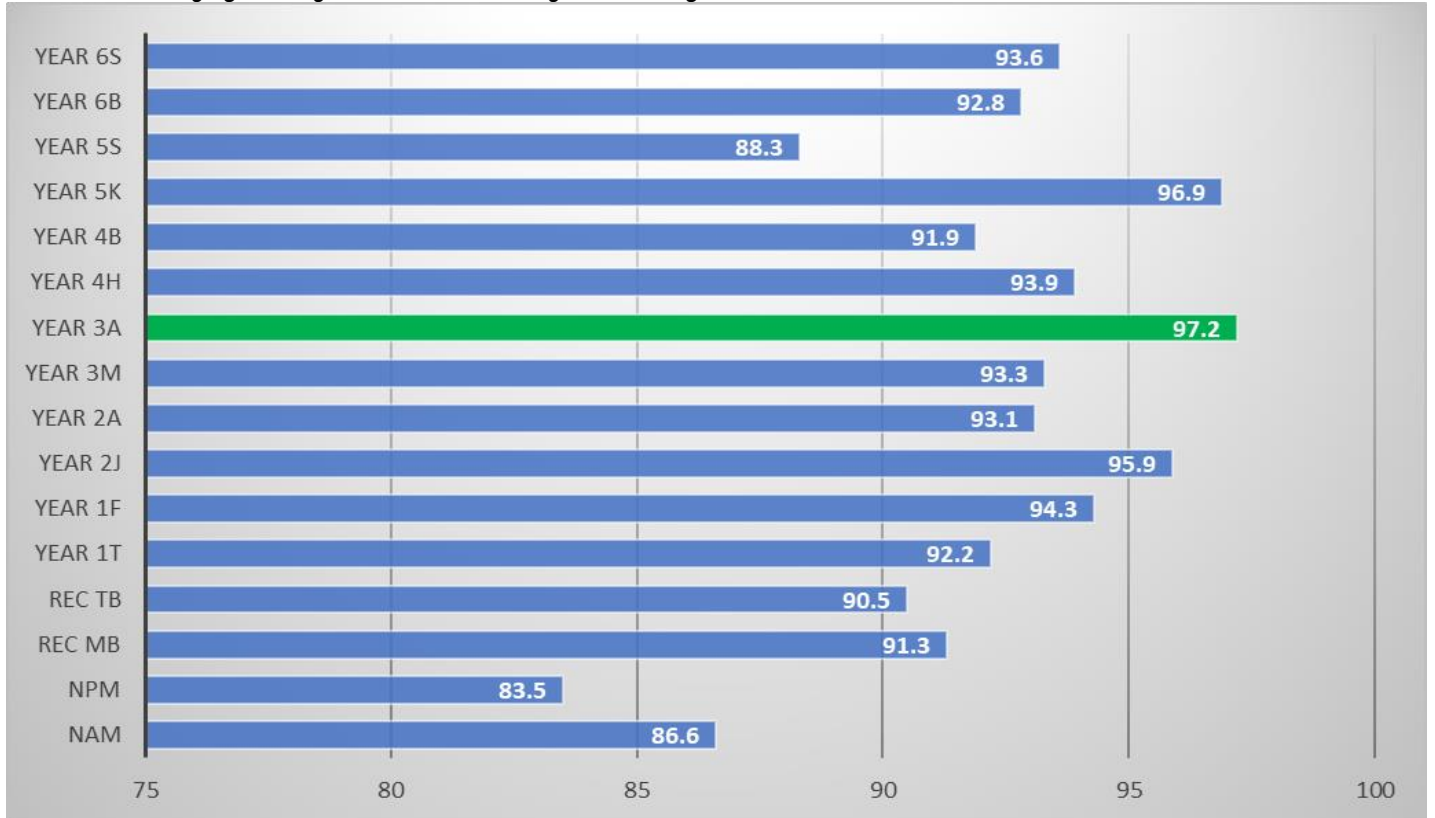

It is very **important** that we have up to date contact details for all pupils. This includes change of phone numbers, emergency contact, address and any allergies. We require 3 different phone numbers for each child.

**Any change in circumstances, please notify us.**

## Attendance

Children's attendance **must be 95% or above**. Prizes are awarded at the end of each term for all children who have an attendance figure of 96% or above. Below are the attendance figures for each class for last year. **Well done 3A!** 🏆

Please take time to look at the expectations below for your child's attendance. We know these are difficult times for all which is why regular attendance is so important. If your child has to self-isolate this does not affect their attendance percentage.

## ATTENDANCE
