Before half term we raised £150 for Black Country Women's Aid. JLT were set the challenge of deciding what to spend the money on and this is what they said:

Dear Mrs Mitchell and Mrs Metcalfe,

You have given us £150 to spend and give to Black Country Women's Aid. To help survivors of abuse, we would like to spend the money we raised on 2 microwaves (£90), 4 mugs (£20), 4 kettles (£40).

This is because we all JLT representatives think that these are the most essential items that anyone would need. In year 6 we learnt about Hierarchy of needs triangle and we all think that the basic needs are necessary in every single person's life. And like us children, adults have rights too so we need to feed them and make sure they can drink as it is one of their rights.

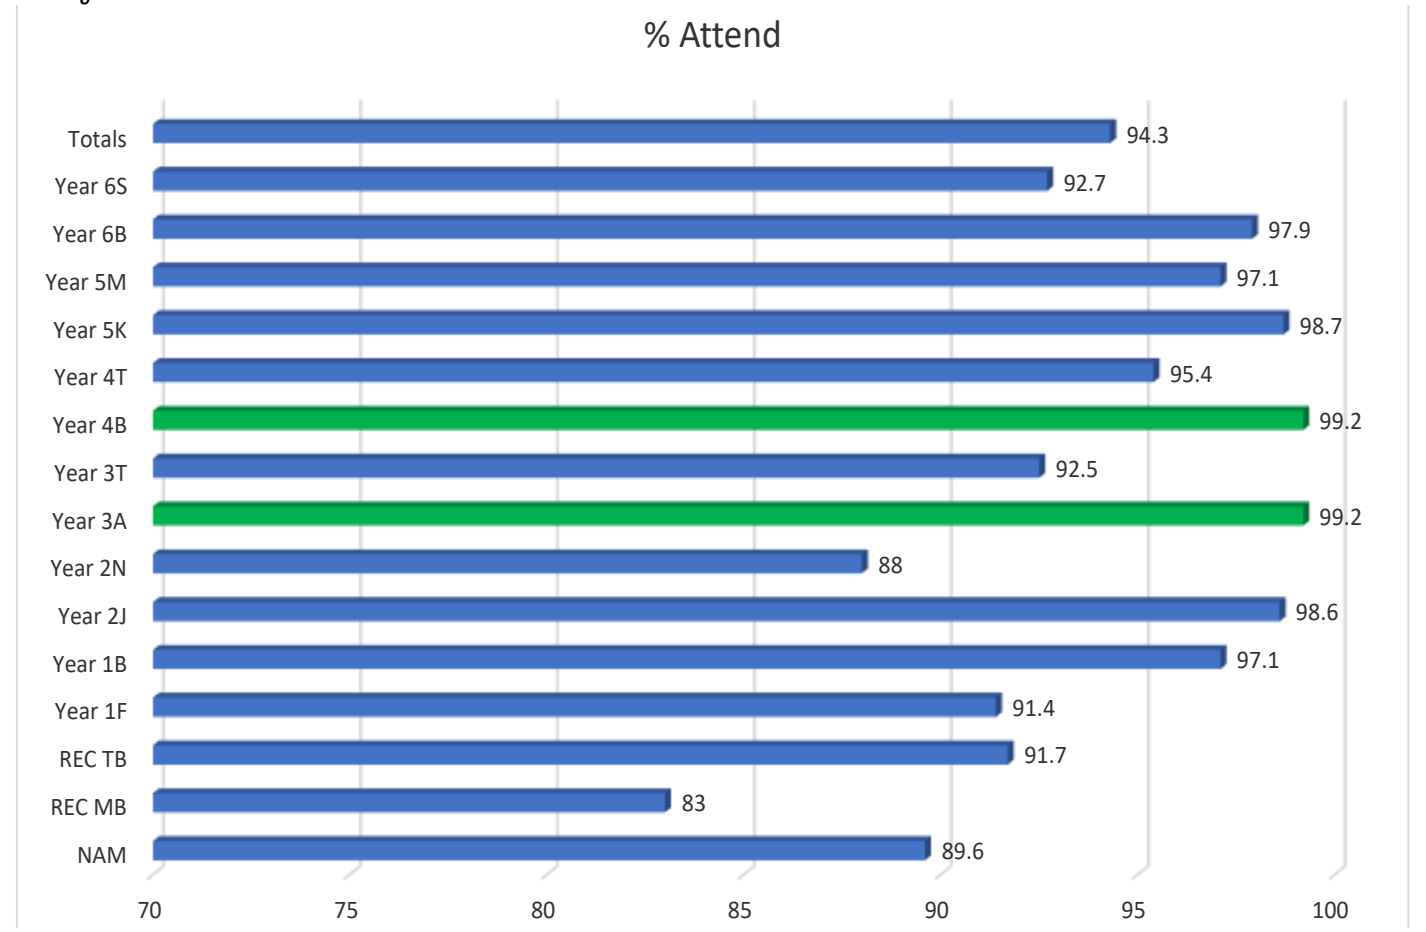

JLT team

The children took part in a virtual workshop with Michael Rosen who is known for 'We're going on a bear hunt'. He read some of his famous stories and poems and the children loved them! He's so funny.

Attendance

Children's attendance **must be 95% or above**. Prizes are awarded at the end of each term for all children who have an attendance figure of 96% or above. Below are the attendance figures for each class for last week. **Well done 3A and 4B!** 🏆

On Thursday 11th November, all children in the Academy created a piece of art work for Remembrance Day.
