Year 5 had a very informative workshop this week with our fantastic neighbourhood PCSOs.

We discussed our local community with a focus on knife crime. The children gained a greater insight into what makes up our local, diverse community and what they can do to make it a safer place to live.

The PCSOs were very impressed with the knowledge our children had about the community in which they live in and how sensible and mature they are!

A credit to us and their families, well done!
