Friday 27th October

A.M McMillan Coffee morning

BREAK UP FOR HALF TERM

Monday 6th November

Return to school

A message from the

PRINCIPAL

Dear Parents,

Well what a busy start to the year it has been!

The children have been very focussed and have been trying hard with their Fantastic Walking and Fantastic Listening.

This is resulting in a calmer learning environment which any visitors to the school have praised.

Our 3 rules - 'Ready, Respectful and Safe' are at the heart of what we do at Caldmore Primary and I am pleased to say that the pupils always try their best to follow them.

Please help to reinforce these by continuing to make sure that your children arrive at school on time every day, in the correct uniform. This means that they are set up for the day by not missing any learning and by looking smart.

We have high expectations for all our pupils as we know that they all have great potential to achieve and be happy.

Many thanks for your continued support.

Mrs H Mitchell

Principal

Attendance for the Academy so far this term is 95.3% which I am really pleased with. We are very close to the 96% and above that every school aims for.

Thank you parents for supporting us to improve attendance this year.

The following classes are doing particularly well and deserve a special mention!

5S and 3J—98%

3F—97%

6AB, 1B, RMB—96%

Let's all continue to work together to reach our 96% goal because if children are in every day at our school they make great progress!

Safeguarding

This Month's Focus—Online Safety

Safer Schools App Reminder

The app is designed to support and protect children by educating and empowering them both at school and at home. Through their log-in, your children get access to information that is relevant to them and you will receive tips and advice on how to keep them safer online.

1. Search "Safer Schools"
2. Open the App & enter Caldmore Primary Academy
3. Put in entry code: Pupils is 9342
Parents is 7440

Pupil App

Parent App

One Goal Mental Health Champion

At the start of term we launched our One Goal Mental Health Champion programme with KS1 and 2 pupils. The children will be taught how to look after their own mental health, how to support their friends and how to ask for help when needed.

Reflexions Mental Health Workshop

The Reflexions team came and worked with our Year 6 pupils to help them identify their emotions and seek support for any worries and anxieties they may have. Thanks to all the parents who attended.

Year 2 - Warwick Castle

Year 2 went on a history visit to Warwick Castle. We immersed ourselves in a thousand years of history, looked at the features of a castle and enjoyed a trebuchet and falconry show.
