SCHOOL CLOSED FOR INSET DAYS

Dear Parents,

Well, it's been a lovely sunny week and your children have been working really hard as always.

On Monday morning we had some visitors in from America as part of the 'Teach Like a Champion' project that we have been doing for the last 12 months. They observed in classes across the Academy and were really blown away by what they saw. They said that all pupils were engaged and being challenged and that I should be really proud. I am!!

It makes me really happy to know that due to

all the hard work of the staff and pupils I will be leaving Caldmore Primary Academy in a really strong position when I leave at the end of this half term.

Thank you to all the parents who supported us by attending parents' Evenings and for coming to look at the pupils' Creative Curriculum books this week. It is really appreciated by all.

NURSERY

Over the next few weeks we will be welcoming our new nursery children and their families into school. They will be having settling in sessions in preparation for when they start after Easter.

We still have spaces available for afternoon nursery, so if you or a friend requires a nursery space, please contact the school office to register your interest.

RECEPTION

Families will be notified of which primary school their child has been allocated for Reception next year **on April 16th**. Once you have been notified, please contact the office or Mrs Phillips if you have any questions regarding the school you have been allocated.

REMINDER

- Please call into school every day your child is absent
- Please continue to send your child to school with minor illnesses such as coughs and colds Thank you!

Safeguarding

This weeks focus:
Bullying and use of mobiles

Spotlight on: Bullying

Learning to understand and manage conflict is an important part of growing up. Bullying is not simply a 'falling out' with friends. To ensure we are able to prevent bullying, act quickly when it takes place and avoid misidentifying bullying, it is vital that we have a shared definition of bullying.

At Caldmore we define bullying as **'The repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying can be physical, verbal or psychological. It can happen face-to-face or online'**.

Bullying behaviour can be:

- Physical – pushing, poking, kicking, hitting, biting, pinching etc.
- Verbal - name calling, sarcasm, spreading rumours, threats, teasing, belittling.
- Emotional – isolating others, tormenting, hiding books, threatening gestures, ridicule, humiliation, intimidating, excluding, manipulation and coercion.
- Sexual – unwanted physical contact, inappropriate touching, abusive comments, homophobic abuse, exposure to inappropriate films etc.
- Online /cyber – posting on social media, sharing photos, sending nasty text messages, social exclusion
- Indirect - Can include the exploitation of individuals.

Please can you support us in school by making sure that you are not on your mobile phone on school grounds either inside or outside of the building. This is for Safeguarding reasons. Thank you for your support.

YEAR 4 TRIP to WOLVERHAMPTON UNIVERSITY

Year 4 had a wonderful day at Wolverhampton University this week where they worked alongside trainee teachers and completed lots of engaging Computing and Design and Technology activities. They also had a graduation ceremony at the end!

WORLD BOOK DAY 2025

We had a wonderful time on World Book Day enjoying a new text in each year group, each centred around embracing our differences and being ourselves. We also had a fabulous dance workshop, Bringing Books to Life. KS2 learnt a danced based around Charlie and the Chocolate Factory while KS1 and EYFS learnt a dance about The Gingerbread Man. We also decorated our T shirts with our favourite books!
